**Recent Activities: Feb 28th Bunko and
potluck** was held at Steve & Mary Stanley's
home. As usual there was lots of really
good food. Everyone had a great time
playing Bunko. Wes and Roman tied for
most bunko's so they did a toss for a bunko
of any number. We thought we were going
to be there all night when Roman finally
rolled a bunko. Of course John had the most
loses retaining his title from previous games.
Thanks to Mary & Steve for their hospitality
and hosting yet another club event at their
lovely home. **March 6-8th Portland
Roadster Show**-Marv showed his new
coupe and won 2nd place. **Feb 22nd
SkyKart** event was canceled because not
enough people signed up. **March 28th
Bingo and Chili Feed** at John & Jayne
Risko's home. John volunteered to be a
judge for the chili cook off since he has been
a judge before.

Upcoming Activities & Events:

Run** – Club members will meet at Walery's
and have planned a lunch stop at

Aspinwall's. **June 20th Summer Corvette
Barbecue at Capital Chevrolet/Event has
been Canceled** due to a cut back in funds
from Capital Chevrolet. Willamette Valley
Corvette Club felt it was better to cancel the
event than to scale it back. **June 20th
Annual Salem Cruise-In**-on the lawn at
PGE on Kale Rd. The cancellation of the
Corvette barbecue leaves this event open for
the club to participate. **July 10-12th
Southern Oregon Corvette Rally**-
reservations are limited and fill up fast.
**July 10-12th Annual 5 Star Classic in
Dupont WA**-sponsored by the Tacoma
Corvette Club. Flyers are available on their
website. **September 11-13th-Florence
Rod's N Rhodies Car Show**-in old town
Florence. This is an invitation show but
might make a good late summer event to go
check out the cars on display.

April is Corvette Museum preview month.
They have lots of pictures and information
on the website along with interactive things
to see and do. The 2009 Corvette Caravan
to Bowling Green is leaving Sandy Oregon
on August 29th. Bob Gunderson will be
leading the NW group. The route and all
information about the caravan is on the
museum website.

Tech Time- John reported that the Bowling
Green Plant is up and running again. Now is
a great time to get a great deal on a new
Corvette. The new GT2 Corvette racecar is
on schedule to debut after 3 more races with
the GT1Corvette. **Special event
announcement for the Corvette Caravan.**
Four silver Corvettes will be selected in
Illinois and will be turned into official police
cars with decals and lights. The decals and
lights are designed to not harm the cars in
any way. These four Corvette Police cars
will lead the caravan to the Corvette
museum in Bowling Green for the start of
the event.

President's Message

It was another great time on March 28 at John & Jayne Risko's home, playing Bingo and of course eating. I don't know that any of us were able to decide what was best, the three great Chili choices, the wonderful desserts or was it the fabulous Cornbread with honey butter, yum yum. I certainly ate well and it gave all us an excuse to have three bowls of Chili.

Rather than play for money, we had some fun prizes and the black out at the end was for quarters. I hate to admit it but it was the only game I won. I did feel guilty but took the quarters anyway.

John and Jayne have a beautiful home in the hills just northeast of Stayton. If it just would have stopped raining, we could have seen the view as it appeared to be spectacular. Maybe we can do a driving event that includes their home during the summer months so we can see the view as well. John tells me the next morning they woke up to snow. Good thing we went on Saturday. Thank you to John and Jayne for opening their home to us. It is fun see member homes we have yet to visit and we appreciate your hospitality.

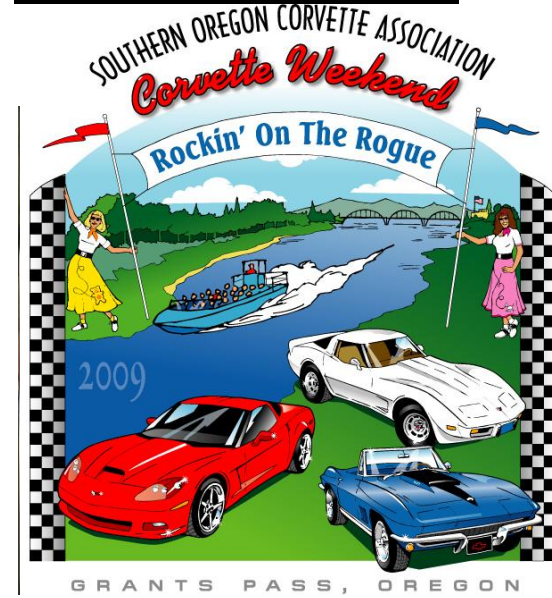

The club will be doing the Cherry Blossom drive as our event for the month of April on the 18th. Our stop at Aspenwall's for lunch will be the club social. We will decide at the meeting on a meet time for this event and if someone would like to plan a drive afterwards, some may want to continue for supper if the weather is nice. That being said, we are coming into the nicer months so if we have a beautiful weekend before our May meeting & you have an idea for a drive somewhere for lunch, remember, just because it isn't on the calendar doesn't mean some wouldn't like to go. We all have email or just call around. Put on your thinking caps. This past sunny weekend sure put Roman and I in the mood to drive the

cars. Looking forward to lots of good driving this year.

Your President,

Judy
